

## Killam Prizes | Prix Killam

Year   Année	Laureates   Lauréats	University   Université	Category   Catégorie
2017	John Burrows	University of Victoria	Social Sciences   Sciences sociales
	W. Ford Doolittle	Dalhousie University	Natural Sciences   Sciences naturelles
	Thomas Hurka	University of Toronto	Humanities   Sciences humaines
	Julio Montaner	University of British Columbia	Health Sciences   Sciences de la santé
	Molly Shoichet	University of Toronto	Engineering   Génie
2016	Axel Becke	Dalhousie University	Natural Sciences   Sciences naturelles
	Isabelle Daunais	McGill University	Humanities   Sciences humaines
	Elizabeth A. Edwards	University of Toronto	Engineering   Génie
	Steven A. Narod	University of Toronto	Health Sciences   Sciences de la santé
	Daniel Trefler	University of Toronto	Social Sciences   Sciences sociales
2015	David M.R. Bentley	Western University	Humanities   Sciences humaines
	Vijay K. Bhargava	University of British Columbia	Engineering   Génie
	Victoria M. Kaspi	McGill University	Natural Sciences   Sciences naturelles
	Donald J. Savoie	Université de Moncton	Social Sciences   Sciences sociales
	D. Lorne Tyrrell	University of Alberta	Health Sciences   Sciences de la santé
2014	Sajeev John	University of Toronto	Natural Sciences   Sciences naturelles
	Andreas Mandelis	University of Toronto	Engineering   Génie
	James Miller	University of Saskatchewan	Humanities   Sciences humaines
	Francis Plummer	University of Manitoba	Health Sciences   Sciences de la santé
	Fraser Taylor	Carleton University	Social Sciences   Sciences sociales
2013	Lorne A. Babiuk	University of Alberta	Health Sciences   Sciences de la santé
	John F. McGarry	Queen's University	Social Sciences   Sciences sociales
	Witold Pedrycz	University of Alberta	Engineering   Génie
	W. Richard Peltier	University of Toronto	Natural Sciences   Sciences naturelles
	Paul Thagard	University of Waterloo	Humanities   Sciences humaines

2012	Jean Grondin	Université de Montréal	Humanities   Sciences humaines
	Geoffrey Hinton	University of Toronto	Engineering   Génie
	Louis Taillefer	Université de Sherbrooke	Natural Sciences   Sciences naturelles
	Mark A. Wainberg	Jewish General Hospital / McGill University	Health Sciences   Sciences de la santé
	John Whalley	University of Western Ontario	Social Sciences   Sciences sociales
2011	Gilles Brassard	Université de Montréal	Natural Sciences   Sciences naturelles
	Michael Reuben Hayden	University of British Columbia	Health Sciences   Sciences de la santé
	Keren Dichter Rice	University of Toronto	Humanities   Sciences humaines
	Lotfollah Shafai	University of Manitoba	Engineering   Génie
	Mark Peter Zanna	University of Waterloo	Social Sciences   Sciences sociales
2010	Ellen Bialystok	York University	Social Sciences   Sciences sociales
	R. Mark Henkelman	The Hospital for Sick Children Research Institute	Health Sciences   Sciences de la santé
	Ming Li	University of Waterloo	Engineering   Génie
	Arthur B. McDonald	Queen's University	Natural Sciences   Sciences naturelles
	James Hamilton Tully	University of Victoria	Humanities   Sciences humaines
2009	Philippe Gros	McGill University	Health Sciences   Sciences de la santé
	Wagdi G. Habashi	McGill University	Engineering   Génie
	François Ricard	McGill University	Humanities   Sciences humaines
	John P. Smol	Queen's University	Natural Sciences   Sciences naturelles
	Ernest J. Weinrib	University of Toronto	Social Sciences   Sciences sociales
2008	Constance Backhouse	University of Ottawa	Social Sciences   Sciences sociales
	Sherrill E. Grace	University of British Columbia	Humanities   Sciences humaines
	Frank C. Hawthorne	University of Manitoba	Natural Sciences   Sciences naturelles
	Michael V. Sefton	University of Toronto	Engineering   Génie
	Peter St George-	University of Toronto	Health Sciences   Sciences de la santé

Hyslop

2007	J. Richard Bond	University of Toronto	Natural Sciences   Sciences naturelles
	Robert E.W. Hancock	University of British Columbia	Health Sciences   Sciences de la santé
	Roderick A. Macdonald	McGill University	Social Sciences   Sciences sociales
	Shana Poplack	University of Ottawa	Humanities   Sciences humaines
	A.P.S. Selvadurai	McGill University	Engineering   Génie
2006	Paul Corkum	National Research Council of Canada	Natural Sciences   Sciences naturelles
	Jean-Marie Dufour	Université de Montréal	Social Sciences   Sciences sociales
	B. Brett Finlay	University of British Columbia	Health Sciences   Sciences de la santé
	Roderick I.L. Guthrie	McGill University	Engineering   Génie
	Susan Sherwin	Dalhousie University	Humanities   Sciences humaines
2005	Luc Devroye	McGill University	Engineering   Génie
	Brian K. Hall	Dalhousie University	Natural Sciences   Sciences naturelles
	Linda Hutcheon	University of Toronto	Humanities   Sciences humaines
	Margaret Lock	McGill University	Social Sciences   Sciences sociales
	Nahum Sonenberg	McGill University	Health Sciences   Sciences de la santé
2004	James G. Arthur	University of Toronto	Natural Sciences   Sciences naturelles
	Will Kymlicka	Queen's University	Social Sciences   Sciences sociales
	Jean-Jacques Nattiez	Université de Montréal	Humanities   Sciences humaines
	Janet Rossant	Samuel Lunenfeld Research Institute/ Mount Sinai Hospital/ University of Toronto	Health Sciences   Sciences de la santé
	R. Kerry Rowe	Queen's University	Engineering   Génie
2003	Edward J. Davison	University of Toronto	Engineering   Génie
	W. Erwin Diewert	University of British Columbia	Social Sciences   Sciences sociales
	François Duchesneau	Université de Montréal	Humanities   Sciences humaines
	Tak Mak	University of Toronto	Health Sciences   Sciences de la santé

	David Schindler	University of Alberta	Natural Sciences   Sciences naturelles
2002	Harry Arthurs	Osgoode Law School/ York University	Social Sciences   Sciences sociales
	Nicolas Georganas	University of Ottawa	Engineering   Génie
	Ian Hacking	University of Toronto	Humanities   Sciences humaines
	Robert V. Moody	University of Alberta	Natural Sciences   Sciences naturelles
	Lap-Chee Tsui	Hospital for Sick Children/University of Toronto	Health Sciences   Sciences de la santé
2001	Werner Kalow	University of Toronto	Health Sciences   Sciences de la santé
	Ronald Melzack	McGill University	Natural Sciences   Sciences naturelles
	Norbert R. Morgenstern	University of Alberta	Engineering   Génie
2000	Paul Brumer	University of Toronto	Natural Sciences   Sciences naturelles
	Fergus I. Craik	University of Toronto	Natural Sciences   Sciences naturelles
	John J. Jonas	McGill University	Engineering   Génie
	Anthony Pawson	Mount Sinai Hospital/University of Toronto	Health Sciences   Sciences de la santé
1999	Albert J. Aguayo	Centre for Research in Neuroscience/ McGill University	Health Sciences   Sciences de la santé
	Maurice A. Bergougnou	University of Western Ontario	Engineering   Génie
	Walter Hardy	University of British Columbia	Natural Sciences   Sciences naturelles
1998	Fernand Labrie	Université Laval (CHUL)	Health Sciences   Sciences de la santé
	Martha Salcudean	University of British Columbia	Engineering   Génie
	Juan C. (Tito) Scaiano	University of Ottawa	Natural Sciences   Sciences naturelles
1997	Stephen A. Cook	University of Toronto	Engineering   Génie
	Stephen A. Hanessian	Université de Montréal	Natural Sciences   Sciences naturelles
	David H. MacLennan	University of Toronto	Health Sciences   Sciences de la santé

1996	Philip Seeman William G. Unruh	University of Toronto University of British Columbia	Health Sciences   Sciences de la santé Natural Sciences   Sciences naturelles
1995	Myer Bloom Michel Chrétien George D. Zames	University of British Columbia Institut de recherches cliniques de Montréal/ Université de Montréal McGill University	Natural Sciences   Sciences naturelles Health Sciences   Sciences de la santé Engineering   Génie
1994	Adrian G. Brook C. André T. Salama Endel Tulving	University of Toronto University of Toronto University of Toronto	Natural Sciences   Sciences naturelles Engineering   Génie Health Sciences   Sciences de la santé
1993	Alan G. Davenport Peter W. Hochachka André Roch Lecours	University of Western Ontario University of British Columbia McGill University	Engineering   Génie Natural Sciences   Sciences naturelles Health Sciences   Sciences de la santé
1992	Henry A. Becker Keith U. Ingold Emil Skamene	Queen's University National Research Council of Canada McGill University	Engineering   Génie Natural Sciences   Sciences naturelles Health Sciences   Sciences de la santé
1991	Jacques de Champlain Walter H. Dilger Gordon H. Dixon	Université de Montréal University of Calgary University of Calgary	Health Sciences   Sciences de la santé Engineering   Génie Health Sciences   Sciences de la santé
1990	J. William Costerton Maria D. Haust Sidney van den Bergh	University of Calgary University of British Columbia Dominion Astrophysical Observatory	Natural Sciences   Sciences naturelles Health Sciences   Sciences de la santé Natural Sciences   Sciences naturelles
1989	J. Keith Brimacombe	University of British Columbia	Engineering   Génie

	Jules Hardy J. Tuzo Wilson	Université de Montréal University of Toronto	Health Sciences   Sciences de la santé Natural Sciences   Sciences naturelles
1988	Henry J.M. Barnett William-Henri Gauvin John C. Polanyi	University of Western Ontario McGill University University of Toronto	Health Sciences   Sciences de la santé Engineering   Génie Natural Sciences   Sciences naturelles
1987	Ronald J. Gillespie J. Fraser Mustard Ashok K. Vijh	McMaster University McMaster University Institut de recherche d'Hydro-Québec	Natural Sciences   Sciences naturelles Health Sciences   Sciences de la santé Engineering   Génie
1986	Jacques Genest William H. Rapson Karel Weisner	Institut de recherches cliniques de Montréal/ Université de Montréal University of Toronto University of New Brunswick	Health Sciences   Sciences de la santé Engineering   Génie Natural Sciences   Sciences naturelles
1985	Pierre Dansereau Phil Gold Ralph G. Stanton Raymond N. Yong	Université du Québec à Montréal McGill University University of Manitoba McGill University	Natural Sciences   Sciences naturelles Natural Sciences   Sciences naturelles Natural Sciences   Sciences naturelles Engineering   Génie
1984	Werner Israel	University of Alberta	Natural Sciences   Sciences naturelles
1983	Brenda Milner	McGill University	Health Sciences   Sciences de la santé
1982	William T. Tutte	University of Waterloo	Natural Sciences   Sciences naturelles
1981	Feroze N. Ghadially Raymond Lemieux Louis Siminovitch	University of Saskatchewan University of Alberta University of Toronto	Health Sciences   Sciences de la santé Natural Sciences   Sciences naturelles Health Sciences   Sciences de la santé
