**GRANTS TO BOOK
PUBLISHERS**

Grants provide assistance to Canadian publishers to offset the costs of publishing Canadian trade books that make a significant contribution to the development of Canadian literature, for promotion tours, and for the translation of eligible Canadian books between English, French or a First Peoples language. The program has four components: the Project Grants Program; the Block Grants Program; Promotion Tour Grants; and Translation Grants.

**SUBVENTIONS AUX
ÉDITEURS DE LIVRES**

Subventions accordées aux éditeurs canadiens pour les aider à absorber les coûts de la publication de titres canadiens de littérature générale qui contribuent de façon importante au développement de la littérature canadienne, pour des tournées de promotion et pour la traduction d'ouvrages canadiens admissibles (français, anglais ou une langue des Premiers Peuples).

Le programme a quatre volets: Subventions par titre; Subventions globales; Tournées de promotion; Traduction.
